Ornate Style Birthday Card

Cindi's Stampin' Spot
Independent Stampin' Up Demonstrator
Handmade Cards and Paper Crafts

This is an elegant birthday card with several layers put together. The white layer is die cut from one of the Ornate Layers dies and then embossed with the Ornate Floral embossing folder. The yellow layer is die cut from one of the Ornate Layers dies as well. The flower is stamped with the large Ornate Flower stamp, then cut with my Scan n Cut since there is no die and colored with Stampin' Blends. There is Wink of Stella on the flowers to give them some shimmer and Gold Gilded gems to finish it off!
